

THIRD ZONE Nervous System Zone

1. We are adjusting the nerve supply to your central nervous system. There should be an improvement in your nervous condition. The **EYES** will become stronger. The **EARS** will become keener, and in general your **SENSE ORGANS** will normalize themselves.

Q: What have you noticed so far?

A:

2. The nerve supply to the **SOLAR-PLEXUS** is being restored to normal. Your **DIGESTION** will improve and you will not take things so seriously – **RELAXATION** will come to you and you will soon want to take a nap each day. **DO SO** – it will help to restore you to health.

Q: Can you **Relax Better**?

A:

3. Adjustment of the nerve supply to **REPRODUCTIVE ORGANS** will bring an immediate improvement in that area.

Q: Have you noticed these things yet?

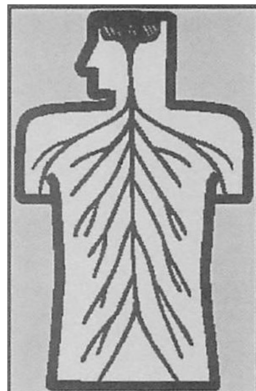

A:

4. Your Third Zone restoration will bring better appetite – better digestion – better elimination – a more relaxed feeling – better sleep – better nerves.

Q: What have you noticed?

A:

Please read this slip **NIGHTLY** just before bedtime. Answer the questions on a nightly basis and return to your doctor when all answers are “**YES**”.
